Thank you very much for having purchased our OASYS Synthesizer. We hope that it continues to delight and amaze, and that you enjoy using it as much as we enjoyed creating it.

As you may know, we recently released our new KRONOS Music Workstation. As a thank-you to loyal OASYS customers who have also purchased the KRONOS, we're pleased to offer the enclosed credits towards the purchase of any Korg-produced KRONOS Sound Libraries. All registered OASYS owners will receive a \$100 credit. If you've purchased OASYS software options, you'll receive additional credits as detailed below:

LAC-1: \$250

MOD-7: \$250

EXs3: \$150

Credits are cumulative; for instance, if you're an OASYS owner who's purchased all of the software options, you'll receive a total of \$750 in credits ($\$100 + \$250 + \$250 + \$150 = \750).

According to our records, your personal credits total:

\$nnn

Note that these credits may be used to purchase Korg-produced KRONOS Sound Libraries only; products from third parties are not eligible. Only actual purchases of OASYS software options qualify for credits; options registered for free do not qualify. All credits will expire on March 31, 2012.
